

The logo for refugeeEd is a circular emblem with a dark red, textured background. The word "refugeeEd" is written in a white, sans-serif font, with "refugee" in lowercase and "Ed" in uppercase.

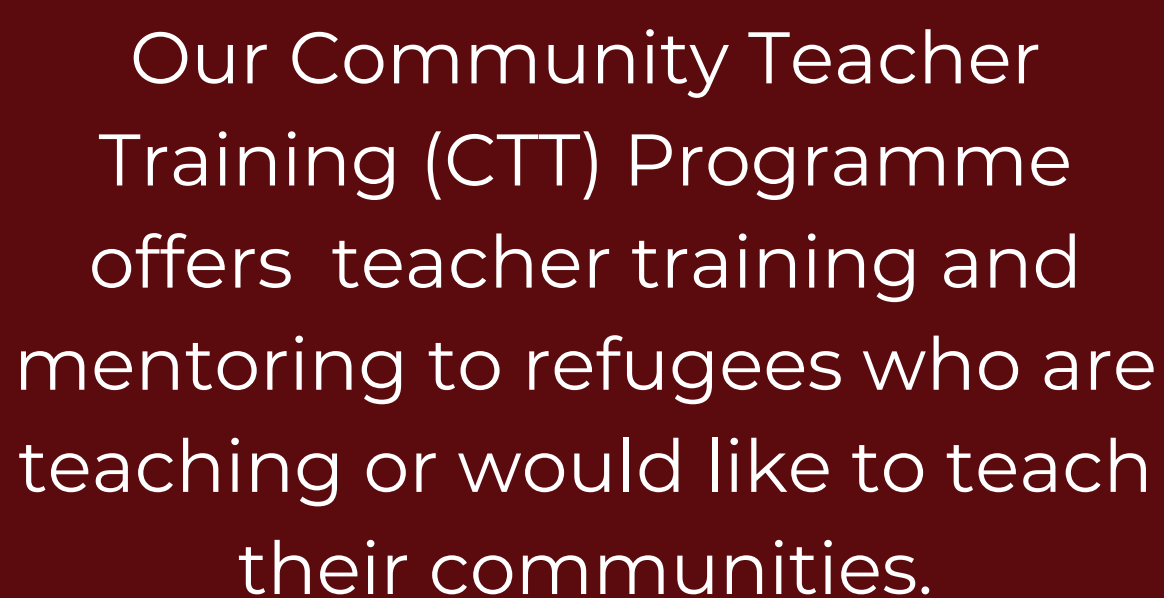

refugeeEd

A white rectangular text box with a thin black border, containing the main mission statement of the organization.

RefugeeEd: working to ensure children and adults on the move in Greece have access to a good education.

A dark red circular text box with white text, describing the organization's support for teachers.

RefugeeEd links local organisations in Greece with volunteers, training and resources to support teachers working with refugee children and adults.

A dark red circular text box with white text, detailing the Community Teacher Training (CTT) program.

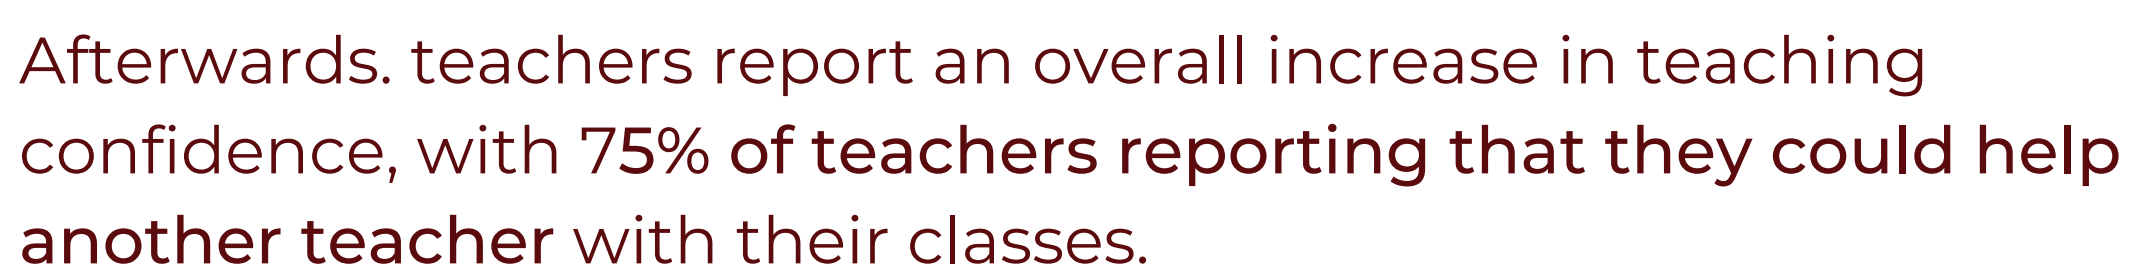

Our Community Teacher Training (CTT) Programme offers teacher training and mentoring to refugees who are teaching or would like to teach their communities.

A white rectangular text box with a thin black border, providing a statistic about webinar participation.

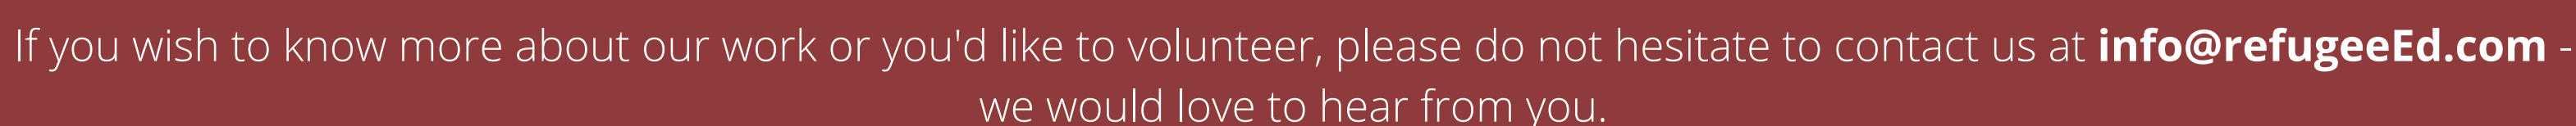

After attending a refugeeEd webinar, 86% of participants are confident in practising the new tools that they learnt during the training.

A white rectangular text box with a thin black border, providing a statistic about the CTT program's impact.

Since 2021, our CTT programme has trained 32 teachers, improving the education delivered to over 200 students.

A white rectangular text box with a thin black border, providing a statistic about teacher confidence.

Afterwards, teachers report an overall increase in teaching confidence, with 75% of teachers reporting that they could help another teacher with their classes.

A white rectangular text box with a thin black border, providing contact information for the organization.

If you wish to know more about our work or you'd like to volunteer, please do not hesitate to contact us at info@refugeeEd.com - we would love to hear from you.
